

Executive Committee for Highway Safety

Lane Departure Working Group

Agenda – Mtg. #3
September 29, 2004

Open Meeting

Task I – General Discussion

- Any old or new items of interest or issues to be brought before the group

Task II – Review of Strategies/Develop Top Two

STRATEGIES SUBMITTED TO ECHS:

Utilization of Rumble Strips to Reduce Lane Departure Crashes – Move Forward, *Group needs to add details as appropriate and find a lead person within DOT to take charge of this strategy*

Target Enforcement to Deter Behaviors Contributing to Lane Departure Crashes - *Establish a pilot/Demo project. this will be coordinated with GHSP's "No Need 2 Speed" campaign/pilot program. We will need someone from the group to monitor the status of this.*

PENDING STRATEGIES/ISSUES:

The following are strategies that were not presented to the ECHS due to time constraints. These need to be prioritized and further developed.

- **That the ECHS Support DOT's Long Range Transportation Plan** – The group will need to provide the ECHS an overview of the plan at the next meeting (October 20, 2004).
- **Review, Improve and Implement the Driver's Education Component that discusses Run-Off-Road and Lane Departure Crashes**
- **Provide Guidance Information to Drivers for Maneuvering Through HORIZONTAL CURVES to Decrease the Likelihood of Lane Departure Crashes**
- **Provide Roadway Geometric Enhancements**
